- Accordingly, 1 Council members will usually receive information about a matter to be discussed in the form of a briefing note or written report circulated in advance of the meeting. It is expected that Council members will have reviewed the materials and noted any questions they may have.
- 2 To begin a discussion, the Council member or the staff of the College responsible for the item will present the item providing a brief synopsis or providing any new or additional information to be considered.
- 3 Council members will be permitted to pose any questions or seek clarification about the information presented without initiating debate, discussion or stating any personal or professional positions. The Council Chair may rule any question or clarification that they believes do not comply with this requirement as out of order.
- 4 At the conclusion of the question/clarification period, a motion, which may be referred to as a “main motion”, must be introduced by a Council member and seconded by another Council member. The motion may then be discussed and debated.

- 8 Clarification issues that may arise will also be addressed during the debate but separate from the main discussion. A Council member raises clarification issues as a Request for Information.
- 9 Once a “main” motion has been introduced, it should not be interrupted by another agenda item. However, one of the following “subsidiary” motions may be introduced:

In the case of a counted vote, the number of votes in favour and opposed will be recorded in the minutes. Only when a Council member who has abstained from or opposed a vote requests it, will their name be recorded in the minutes, unless their name must be noted to reflect that quorum was present.
- 12 Any Council member can require that a vote be conducted by a roll call vote. In such a circumstance, the Chair will ask each Council member how they vote and the vote of each Council member as being in favour, opposed or abstaining will be recorded in the minutes. Such a request must be made immediately after the result has been announced, and before any debate or business has intervened. The Council Chair or a majority (50% plus 1) of Council members can require that the vote be counted.
